

CENTRAL INTELLIGENCE AGENCY  
WASHINGTON, D. C. 20505

20 February 1976

STATINTL

I wish to thank you and your personnel for the very  
informative briefings and tours which you hosted for my staff  
and myself last week at [redacted] It was of great value to me to  
observe firsthand the operations of the [redacted]  
Facility. The time we spent with you has given me a good under-  
standing of the role of [redacted] in our critical space programs.
